

Sea Cloud II
CARIBBEAN GOLF CRUISE
JANUARY 23–FEBRUARY 2, 2024

DOMINICAN REPUBLIC • ANGUILLA • NEVIS • ST. LUCIA • BARBADOS

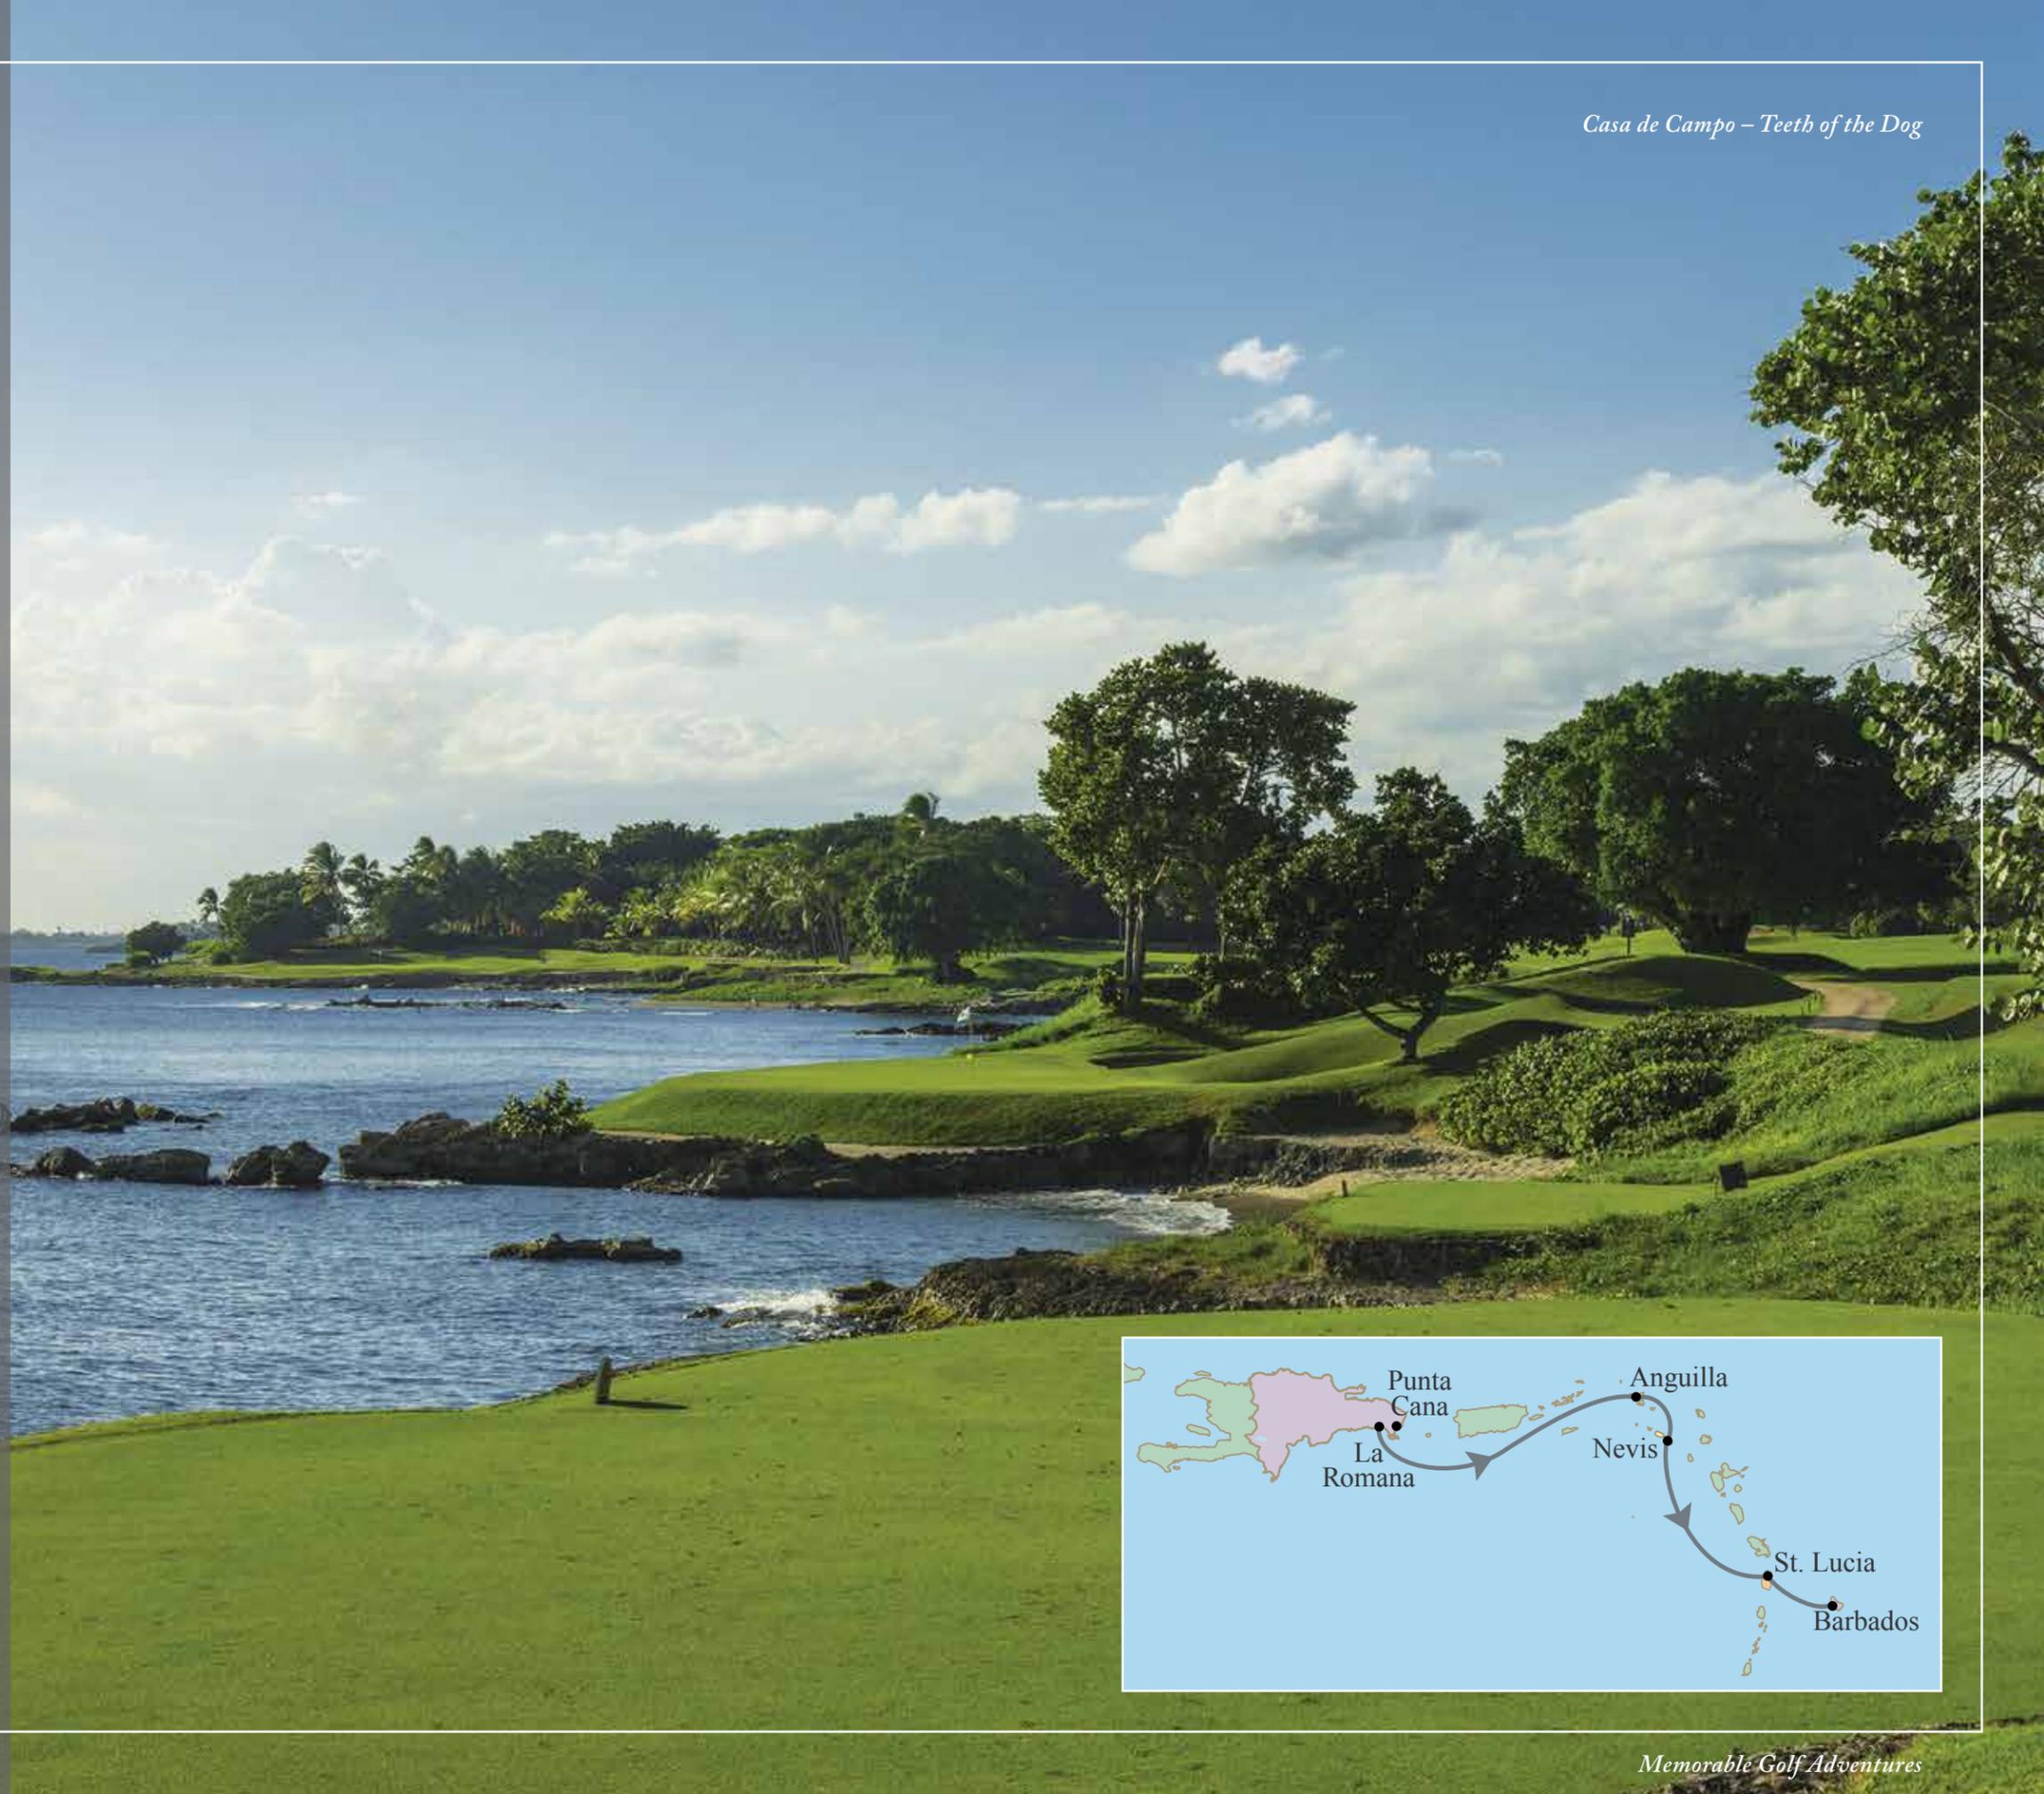

THE CARIBBEAN HAS ALWAYS BEEN prime for sailing—from explorers and conquistadors to pirates and sugar traders—and the crystal clear waters and coral-trimmed white sand beaches have drawn many a traveler in search of tranquility. Over the years, a host of great golf courses have populated these islands and we play some of the best as we cruise the Greater Antilles to the Lesser Antilles.

Sea Cloud II, our host vessel for this voyage, is a ship that captures the timeless elegance of sailing history and combines it with modern service and accommodations. Privately chartered for this journey, our ship is a relaxing and gracious home away from home. With her well-appointed staterooms, elegant dining, and ample open deck areas, Sea Cloud II offers cruising at its finest aboard an intimate, private sailing yacht.

Our journey takes guests to five Caribbean islands, from the Dominican Republic to Anguilla and Nevis, St. Lucia to Barbados. Our tours feature visits to colonial villages, historic cathedrals, and a cooking school. The golf line-up is ideal as we play on some of the best courses in the Caribbean including Punta Espada, Corales, Teeth of the Dog, Dye Fore, and Royal Westmoreland.

Traveling with Kalos Golf means never having to worry about your golf bag. Our staff awaits at every course with your bag placed on a cart and the practice facility cleared for your arrival. And don't worry about the pairings—we take requests or pair you with new friends who share your skill level and enthusiasm for the game.

Whether playing golf or discovering local culture with our experienced guides, shopping on your own, or sailing the azure seas aboard your own private yacht, you will experience unsurpassed personal attention, returning from your journey with new and enriched friendships and memories of a captivating experience.

JANUARY 23: HOME • LA ROMANA, DOMINICAN REPUBLIC

Plan to arrive in Punta Cana on January 23, where you are greeted and transferred to Casa de Campo in La Romana. Relax and settle in until our welcome reception this evening.

.....

JANUARY 24: LA ROMANA

GOLF: CASA DE CAMPO – DYE FORE

Dye Fore is a big golf course that routes along the cliffs that lead to the Chavón River. The river, used in the filming of the motion picture *Apocalypse Now*, cuts a deep path through the landscape as it tumbles down from the Dominican Mountains to the Caribbean Sea. Featuring elevation changes unusual to a course this close to the sea, club selection becomes essential to a good score. Dye Fore is an ideal introduction to our golf journey across the Caribbean.

TOUR: RESORT ACTIVITIES

From active pursuits to relaxation, there is much to do at Casa de Campo. Whether you would like to enjoy the spa, explore the local beaches on foot or by horseback, or take a catamaran cruise to a secluded island, the entire resort is yours to discover today as you continue to settle into Caribbean time.

.....

JANUARY 25: LA ROMANA • EMBARK SEA CLOUD II

GOLF: CASA DE CAMPO – TEETH OF THE DOG

With seven holes that hug the shoreline, including the signature 16th—a par three over a rocky cove shaped like snapping jaws—Teeth of the Dog has long held the top spot in Caribbean course rankings and is currently ranked #20 in the world by *Golf Digest*. Opened for play in 1971, this Pete Dye masterpiece boasts stunning views throughout as the course has few trees and little rough. If the trade winds blow, club choice and ball flight become imperative to reach and hold many of the raised greens. Later today, we embark *Sea Cloud II* and begin our journey across the Caribbean Sea.

TOUR: ALTOS DE CHAVÓN

Touring guests travel along the Chavón River to Altos de Chavón, a Mediterranean-styled village with quaint shops featuring the works of local artisans. We tour the gardens and amphitheater and have free time to browse the shops that line the cobblestone streets. After lunch, we visit the largest and most celebrated cathedral in the Dominican Republic, Basílica Catedral Nuestra Señora de la Altagracia, dedicated to Our Lady of Altagracia, patroness of the nation, where we learn of its fascinating history.

.....

JANUARY 26: DAY AT SEA

There is no better way to settle in aboard *Sea Cloud II* than to delight in a full day at sea as we cross the Caribbean. Sit back and watch skilled deckhands as they scale the masts that reach 180 feet high and set the sails on one of the finest hand-sailed square-riggers of our age. The views throughout the day will be spectacular.

.....
JANUARY 27: SAILING INTO ANGUILLA

This afternoon, we make our way into Anguilla in time to disembark and stretch our legs with a late afternoon stroll along the white sand beach. Cocktails on deck and a sunset dinner are the ideal way to close our day.

.....
JANUARY 28: ROAD BAY, ANGUILLA

GOLF: AURORA INTERNATIONAL GOLF CLUB

With wide, receptive fairways and approachable greens, this Greg Norman resort course is a pleasure from start to finish. The routing switches direction often, giving ample opportunity to take advantage of the prevailing winds, and although water comes into play on about ten holes, the landing areas are wide enough that only the most wayward shots face trouble. Rather, it's the water that's not in play which may command your attention—crystal Caribbean seas offer a wonderful panorama throughout, with views of neighboring Saint-Martin providing an ideal sense of place.

TOUR: COOKING CLASS & ISLAND TOUR

Touring guests attend a cooking class in the late morning, learning the perfect combination of Caribbean spices. We enjoy the fruits of our labor for lunch. Afterward, soak in the relaxing views and learn of the island's unique past during a panoramic island tour.

.....
JANUARY 29: CHARLESTOWN, NEVIS

GOLF: FOUR SEASONS RESORT, NEVIS

Routed around the dormant volcano, Nevis Peak, this Robert Trent Jones, Jr. layout was his first in the Caribbean. It's an interesting departure from the courses we've played so far, with significant elevation change throughout. We climb from the clubhouse on the front side through a rainforest and sweep down towards the shore on the back nine, with spectacular views throughout. From the highest points, the contrast of the clear-blue sea against palm tree-lined fairways is picture-perfect.

TOUR: ST. KITTS

We transfer by water taxi from Nevis to St. Kitts today and begin our tour in the capital city of Basseterre. Wonderful examples of colonial French and English architecture surround Independence Square, which has been repurposed into a beautiful memorial garden. After some free time shopping the quaint streets, we visit Timothy Hill where we see the merging of the Caribbean Sea and the Atlantic Ocean.

.....
JANUARY 30: DAY AT SEA

Our itinerary allows us to respond to the most common request from Kalos passengers—one more day at sea. Relax as we sail south from Anguilla to St. Lucia—depending on the wind and currents, we may have time for a swim stop along the way!

.....
JANUARY 31: POINT HARDY, ST. LUCIA

GOLF: ST. LUCIA GOLF & COUNTRY CLUB
Redesigned by Greg Norman in 2021, the St. Lucia Golf & Country Club at Cap Estate features stunning backdrops, dramatic elevation changes and lush tropical vegetation unique to St. Lucia. This championship-caliber layout is rich in shot-making variety and is sure to be a fun yet challenging penultimate round in our journey.

TOUR: PITONS & CHOCOLATE
Our tour takes us to the quaint town of Soufriere, the first capital of St. Lucia, and home to the Pitons, a UNESCO World Heritage site and the Caribbean's only drive-in volcano. After visiting the Botanical Gardens and Diamond Waterfall, we enjoy a unique chocolate-making experience; chocolate has been made on St. Lucia since the 1700s. Lunch follows as we taste cacao-based cuisine overlooking breathtaking views of the majestic Pitons.

.....
FEBRUARY 1: BRIDGETOWN, BARBADOS

GOLF: ROYAL WESTMORELAND GOLF CLUB
Royal Westmoreland is a fitting close to our golf journey across the Caribbean. This Robert Trent Jones, Jr. layout rolls through undulating green hills and makes good strategic and visual use of a coral quarry on a couple of holes. The course plays mostly on higher ground offering great panoramic views. Key to a good closing round will be avoiding the almost 100 bunkers placed throughout the course.

TOUR: ST. NICHOLAS ABBEY
We visit St. Nicholas Abbey today and learn about the sugar and rum trade that is so intimately connected with the history of Barbados. Passed down through generations, we hear the tales of the families who have run the plantation, the intrigue, and mysteries surrounding the manor.

.....
FEBRUARY 2: BRIDGETOWN • HOME

We bid farewell to *Sea Cloud II* and her crew as we disembark and transfer to Grantley Adams International Airport for homebound flights.

GOLF'S FINEST TRAVEL EXPERIENCE

The truth about great international golf courses is that they are typically in close proximity to fascinating cultural and historic venues, immersed in unique landscapes ripe for discovery, making our trips ideal for couples in which one spouse is a passionate golfer, and one may rather tour. We dedicate as much purpose to planning and executing our touring programs as we do our golf line-up; no other golf tour operator can make this promise.

We know our clients demand stimulating experiences beyond golf and strive to present our guests with a rich blend of choices between golf and touring each day. Even the heartiest golfers among our guests often remark, "it was tough to decide today between the tour and the links."

Each day, touring passengers will have the option to experience fascinating cultural and historic or culinary and wine tours. On some days, golfers and tour guests will spend the day touring together and on others, they will get together for a private wine tasting or tour after golf.

We challenge you to find a touring program with any other luxury golf tour operator that is as robust, inclusive and exclusive as you will find on a Kalos Golf tour.
